- ◆ Poughkeepsie, N. Y., June 25.—
- ◆ The varsity four oared race, two miles, Cornell first—time 19:34;
- ◆ Pennsylvania, second; Wisconsin, third; Columbia fourth.
- ◆ Freshmen race, eight oared, two miles, Cornell, first—time 9:18;
- ◆ Syracuse, second; Wisconsin third;
- ◆ Columbia, fourth; Pennsylvania fifth. The best previous time was 9:13 1-2 made by Yale in 1897.
- ◆ Varsity race, four miles eight oared, Cornell, first—time 18:57;
- ◆ Georgetown, second; Wisconsin, third; Pennsylvania, fourth; Syracuse, fifth; Columbia, sixth.

For the first time in years there were distinct surprises in the inter-collegiate race here today. Syracuse and Georgetown universities two crews of practically unknown quantities, and whose coaches had not predicted, or had not hoped anything for them, anything better than fourth or fifth places in their respective races, each finished second in the two most important races of the day. Columbia university crews, from which much had been promised, finished in the worst possible shape in every race.

It was, as it has now been for the past four years, Cornell day. As in last year's regatta Cornell won all three races. The varsity race, as a matter of fact, was a mystery walk over. Cornell took the lead before a mile point had been reached and rowed away from her competitors in a manner so easy, at no time was she ever pressed for first place.

**SEARCH FOR DEAD CONTINUES.**

**SUES FOR NONPAYMENT.**

Alleged That Nellis Did Not Keep Faith With Government.

Washington, June 26.—In the Nellis case contract case an affidavit by Chas Kingsley alleges that A. C. Nellis of New York, who had the contract for furnishing seed ready for distribution to the government two years ago, directed that no books be kept and that the packages should be of light weight. Legal representatives of Nellis are suing for a payment of \$18,000 which Secretary Wilson withheld for alleged non-performance of contract. The full amount of the contract was \$108,000.

**UNLOADING IRON ORE.**

Use of Hulett Clamshells Smashes All Previous Records

Connecticut, June 26.—The record for unloading iron ore was broken at this port when the four big Hulett clamshells unloaded 827 tons of ore from the steamer James H. Hoyt in three hours and 56 minutes. That time beats anything which has ever before been done in the way of unloading iron ore. When the clamshells were set to work on the boat it was the intention to make a record and they were worked to their best speed. All the ore was unloaded from the boat automatically, and when she left the clams she departed up the lake. Last year a record of five hours and 54 minutes was made, but then only 84 per cent of the ore was taken out with the clams. The Hoyt was built expressly for the clamshell and has 19 hatches.

**THREE FILIPINOS PARDONED**

They Were Held for Murder and Other Offenses.

Washington, June 26.—The president has pardoned three Filipinos: Pedro Santos, convicted before a military commission for violating the laws of war and for murder and Jose Atienza and Felix Atienza, also convicted before military commissions of murder and of being guerrillas.

Those pardons were recommended by Governor Taft, by the general commanding the division of the Philippines and by the secretary of war, for the reason that the offenses grew out of the insurrection were committed during it and because the amnesty proclamation of the president dated July 4, 1902, did not cover the cases of these prisoners.

**SUSTAINED AND RAISED.**

Cab Company Gains Nothing by Appeal In Damage Suit.

Paris, June 26.—The appeal of one of the Paris cab companies against the decision of the tribunal which awarded Mrs. Bartels, the wife of a Chicago newspaper man, 40,000 francs damages for injuries sustained by being run over by one of the company's cabs in May, 1901, came up before the appeal court today. Mrs. Bartels had both legs broken and also suffers from permanent nervous and heart troubles. The appeal court confirmed the previous judgment and raised the damages to 60,000 francs.

**Ex-Postmaster General Takes Decided Stand Against Charges Made By Mr. Tulloch.**

Philadelphia, Pa., June 26.—Ex-Postmaster-General Smith today made a public answer to the Tulloch charges. He states that the apparent irregularities in the military department, and payment of bond premiums were due to exigencies of the situation; that all contracts were let by competition; that vouchers questioned were regular in form; that the Washington post office lease was entirely justifiable and that the apparent double payment of salaries were explained in full.

**CONFIDENCE IN PAYNE.**

Postmaster General Appreciated By Roosevelt.

Washington, June 26.—The president has absolute confidence in Postmaster General Payne and has no thought that he will leave the cabinet, said Senator Hanna today, after a visit to the White House.

"The president is satisfied with the work Payne is doing, and appreciates his integrity and executive ability. Payne has no thought of resigning, but if he did, his resignation would not be accepted by the president."

**PRESIDENT TAKES NO PART.**

Rumors That He Will Frame Tariff Plank for Iowans is Not True.

Washington, June 26.—Reports that President Roosevelt was taking part in the framing of the tariff plank to be adopted by the Republicans of Iowa at their coming convention are rumored here and it can be stated authoritatively that the President has made no suggestion and has taken no part what ever in the work of outlining the platform. Since his return from the west no one, it can be added, has ever mentioned the matter to the president.

Woman After Beating Child Inflicts a Fearful Death.

Chicago, June 26.—A dispatch to the Chronicle from New Orleans says: Mrs. Mary Patterson is under arrest at New Iberia, charged with murder. The woman became enraged at her step child, a little girl 10 years, and after beating her tied her in a corn sack and suspended her to a limb of a tree. She then made a fire beneath the tree and piled on a lot of paper to intensify the heat and smoke. The sack caught fire and the body, falling off, burned to a crisp.

**SURPRISED HE'S FIRED.**

Judge McMillan Thought He Was Fully Vindicated.

Denver, June 26.—The Rocky Mountain News prints a statement from Judge McMillan of New Mexico regarding his removal from office. He said: "I am surprised at the outcome of my case. When it was submitted in April I was satisfied I had established a complete vindication. I never had charge of a matter where every point in controversy had been thoroughly met and answered."

**NOTHING FOR SUFFERERS.**

Action of Kansas Legislature Provokes Much Comment.

Topeka, Kansas, June 26.—The extra session of the legislature ended this afternoon. Over 50 bills were passed. Most of them gave the counties right to restore bridges. An effort was made to pass a bill appropriating money for the relief of sufferers, but it was defeated. This action of the legislature has caused a great amount of comment.

**GIVES HIMSELF UP.**

St. Thomas, Ont., June 26.—George Rowley, former manager of the Elgin Loan company, whose disappearance caused a suspension of the concern has returned. He at once gave himself up to the authorities. He was later released on bail of \$4000.

**TOO-MANY BRASS BANDS.**

President Roosevelt Will Be Greeted With Crashes of Sweet Sounds.

Oyster Bay, June 26.—An unseemly clash has been feared between rival committees of citizens on the occasion of the reception to President Roosevelt on Saturday, but it is now hoped everything will be smoothed over and the celebration attending the president's homecoming will not be marred by the dissensions of rival parties.

The original intention was to have a joint celebration of the president's return and the 250th anniversary of the settlement of the village. This was abandoned because President Roosevelt found it would be impossible to return on June 25, the date set. Not satisfied with the abandonment of the double celebration big posters have been put out by the committee calling on the citizens to attend the 250th anniversary Saturday morning. Both committees will have a brass band at the station to meet the president. It is hoped one will be prevailed upon not to play. President Roosevelt is a member of the board of trade and it is generally thought proper that the board should have charge of the reception.

Emperor William said: "I offer a cordial welcome to the American squadrons. We look upon them as bearers of friendly sentiments of the citizens of the United States, to which I can assure your excellency from the whole of Germany a hearty response."

**WILL SELL THOROUGHBREDS**

Disappointed That His Horses Fail to Win.

New York, June 26.—E. R. Thomas will dispose of his stable of thoroughbreds at public auction at Sheephead bay next week, according to the Herald. Disappointment following the continued defeat of the great \$50,000 Hermin, which has lost in each of the four races in which he started, is said to be the cause.

Among the thoroughbreds in the string are Yard Arm, Buttons, Onatas, Pentecost, Vagary, Dimple and St. Valentine. He also owns a half interest with J. E. Madden in Pulsis, a 2-year-old.

**New Appointee Will Act Until Such Time As Regular Incumbent Returns To North.**

Nome, Alaska, June 18. (Via Seattle) June 26.—Failure to substantiate the sensational charges he made against the federal grand jury May 9 resulted two days later in the removal of office by District Judge Moore, of Geo. B. Grigsby, acting district attorney, and the appointing of John L. McGinn, of Portland, as United States district attorney until such time as the district attorney returns.

Grigsby is the son of District Attorney Melvin Grigsby who left Nome last fall to remain out for the winter. He was left to act as district attorney until his father's return.

United States Marshal Frank Richards was severely arraigned by the grand jury, which made its report on June 11, for alleged extravagance, in conducting his office and the federal jail, and for alleged false and untrue representations made by him to the attorney general. It also charges Richards with obstructing the process of justice by aiding and abetting men charged with crime. One juror dissented from the report.
